THE Two-Year-Old Source

Ocala Breeders' Sales Company enjoyed a tremendous year in 2013 led by our Juvenile sales **grossing over \$93 million**. OBS solidified its position as the Juvenile market leader. The advertising line, "The Two-Year-Old Source" is no longer a slogan, but just plain fact. **Simply put, OBS sells more two-year-olds for more money than any other sales company in the world.**

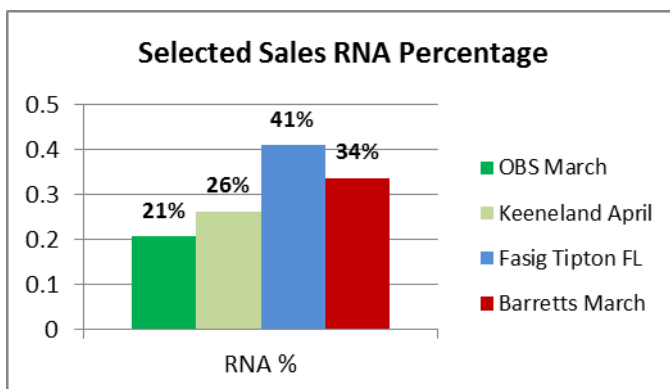

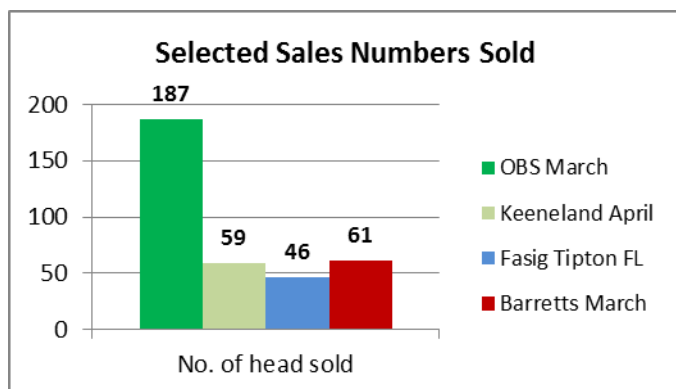

Not only do OBS two-year-olds shine in the auction ring, but more importantly they continue to dazzle on the track. Once again, OBS was represented at the Eclipse Awards with champions **Trinniberg** and **I'll Have Another**. Other Grade One standouts include **Capo Bastone**, **Goldencents**, **Stephanie's Kitten** and **Starship Truffles**.

THE Market Leader

Additionally, 159 buyers purchased 282 horses sold for at least \$100,000. 51 buyers purchased horses sold for at least \$200,000. Buyers represented 42 states and 17 countries.

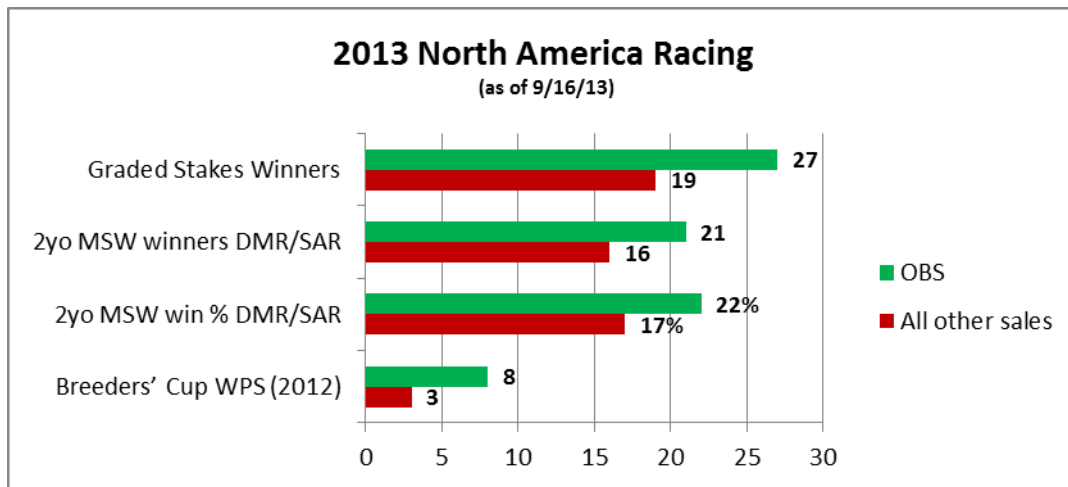

Selected Sale Strength

Highlighting the March sale was the **\$1.8 million Sale Topper**, highest price of all two-year old sales in 2013. 122 horses sold for \$100,000 or more, while one out of three buyers of selected two-year olds (listed on The Blood-Horse top 100 by gross) purchased exclusively at OBS March.
