## Important Dates for the July Sale of Two Year Olds and Horses of Racing Age

### Saturday, June 20<sup>th</sup>

- The track will be open for Work and Go of **sale horses only**. The track will be open until **10:00 am**.
- Please use **BARN G** for all Work and Go's. We are working hard to clean stalls in the rest of the barn area. So there will be equipment and people in many barns that may be a hazard to horses.

### Friday, June 26<sup>th</sup>

- Barn Area Opens for stabling, but Please call a couple of days ahead to be sure your stalls are ready. Given the short turnaround from the last sale we are working hard to have stalls ready, but check with us to ensure they are. The track hours will be 6:30 am to 11:00 am. The  $\frac{3}{4}$  chute will be open.

### Monday, June 29<sup>th</sup>

- Track hours move to 6:30 am to 1:00 pm.  $\frac{3}{4}$  chute will be open. There will be a break on the Main Track at 9:00 am. We will make a decision on a break on the training track each day, depending on the amount of horses using it.
- Horses should train with numbered saddle towels

### Thursday, July 2<sup>nd</sup>

- Under tack schedules should be turned in to the Main Office by 12:00 pm

### Friday, July 3<sup>rd</sup>

- All sale horses must be on the sales grounds
- Last day for bulk shavings to be delivered to barns A – J. Bulk shavings may **ONLY** be used in barns A – J and placed in the shavings bins on the end of each barn.
