Enter your Max Bid amount here

Submit your Max Bid by clicking 'Add Max Bid'

In the Index area to the left of the bid button you can enter a Max Bid for any upcoming horse in the sale.

The Max Bid function will bid for you as long as someone else is bidding against you, up to the Max Bid amount. In this example, a Max Bid of \$10,000 has been entered for hip 4. Click 'Add Max Bid' to submit.

In order to remove a Max Bid, you must click 'Clear Max Bid' BEFORE the horse enters the ring

Once a Max Bid is entered, you can change it until the horse enters the ring.

In this example, a Max Bid of \$10,000 has been placed on hip 4. To change it, click 'Clear Max Bid' to start over. Be mindful of accuracy when placing a Max Bid!

Once the horse enters the ring, you cannot change the Max Bid

As you can see in this example, even though you entered a Max Bid of \$10,000, you bought the horse for \$5,000 because no one else bid against you. The Max Bid function will not run the horse all the way to \$10,000. Your Max Bid is confidential and is not disclosed to OBS or the auctioneers.
